# PREFACE

TN presenting this Register of the School Boys who have been pupils at the High and Winthrop Schools, the Committee of Publication, after long and deep research, is able to give such a partial account of each boy as can be gleaned from the extant School Records. The Vital Records of the City of Charlestown and, since 1873, of the City of Boston, in the office of the City Registrar, those in the office of the Secretary of the Commonwealth, the records of the Quinquennial Office of Harvard University, and newspaper files from 1848 to the present time, have been diligently searched for further data; and much information has been gathered by correspondence and personal interviews. But the time necessary to collect the data for anything approaching a full record was not at the command of the Committee, since many of the Boys have removed to distant parts of the United States and to foreign countries, and all trace of them has been lost. The Committee has made no attempt to follow the careers of the Boys since they left school, save in noting, so far as possible, the Degrees conferred upon such as have received Academic honors.

The Committee will welcome all additions and corrections to this List, to the end that at some future time it may be possible to issue a more complete edition of the Register of all the Old Charlestown School Boys.

The Committee wishes to record its warm appreciation of the efficient and satisfactory manner in which Mr. L. Chauncy Spinney, the Recording Secretary of the Association, has assisted the Compiler in collecting the facts upon which this Record is based. To Mr. William B. Reid of the University Press and Mr. Lucius B. Folsom of the Folsom Engraving Company, also, the Committee is deeply indebted for the care and interest they have taken in the artistic and mechanical features of this work.

iv PREFACE

It is proper that the Boys should know that they are indebted to our Brothers Frank J. Bartlett, Henry J. Evans, Edgar F. Hanscom, James S. Murphy, Fred W. Richards, Arthur R. Robertson, Gen. Charles H. Taylor, Walter F. Watters, J. Frank Wellington and George S. Wright for this precious Record, which has been compiled and printed at their expense.
